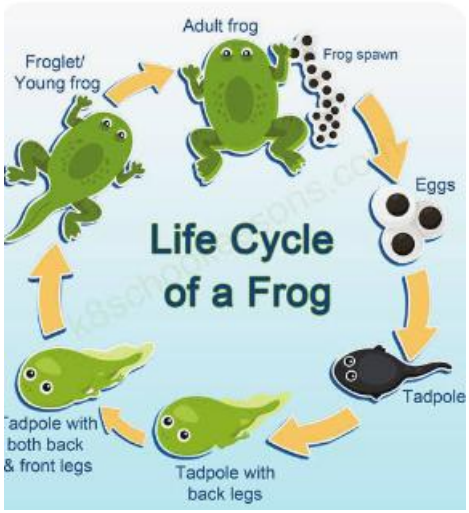
YEAR 2 HOMEWORK PROJECT

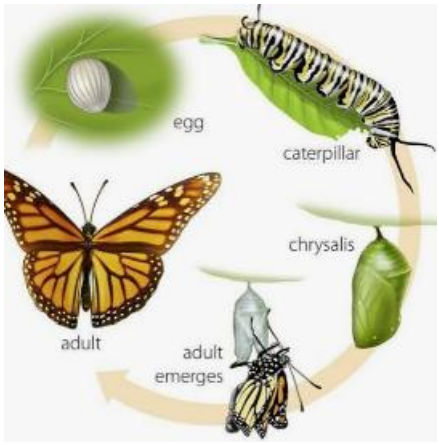
Your challenge:
Choose a living thing and create a **colourful life cycle poster** to show how it grows and changes.

CHOOSE YOUR LIVING THING

You could choose:

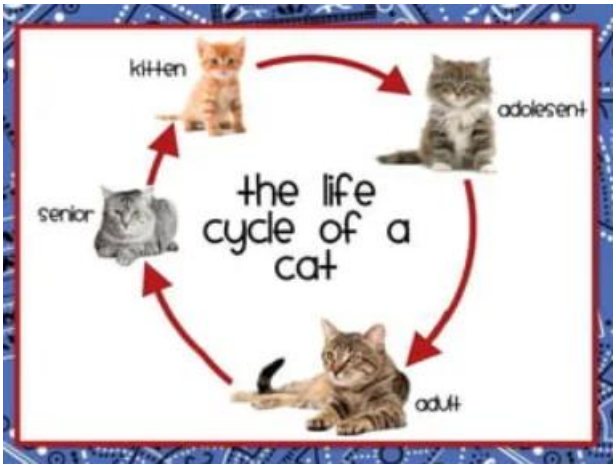
- **A butterfly**
- **A frog**
- **A plant**
- **A chicken**
- **A ladybird or another living thing of your choice!**





SUPER SCIENTIST CHALLENGE!

Can you find **ONE interesting fact** about your chosen living thing?



MY LIFE CYCLE CHECKLIST

☐ I chose a living thing.
☐ I showed all the stages.
☐ I put the stages in the correct order.
☐ I labelled each stage.
☐ I used arrows to show the cycle.
☐ I used lots of colour and detail.
☐ I included an interesting fact.

HAVE FUN!

BE CURIOUS • BE CREATIVE • BE A SCIENTIST!

All posters to be handed in by 16th October.
